

News about corrosion and the corrosion industry produced quarterly for members of NACE International in the Calgary area

NACE Golf Tournament was a big hit once again!

On August 21, NACE Calgary section hosted 204 golfers for the annual golf classic at Elbow Springs Golf Club. Players of all levels enjoyed a day of golf, networking and great on-course refreshments, followed by a delicious barbecue.

The day included:

- Breakfast of Champions
- 18 holes of golf
- Beverages and snacks along the course
- Dinner and awards
- Prizes and giveaways galore

A special part of this year's tournament was the inaugural presentation of the Dave Scott Memorial Trophy to the top team: Bob Longpré, Jason Grunau, and Roger McGovern. David passed away in January of this year and was very involved throughout his long career at the local, regional, national and international levels of NACE. He was also an avid golfer and participated both as a player and organizer with the NACE Calgary tournament.

Another special part of the tournament was the list of sponsors who made the event enjoyable, affordable, and memorable through their contributions.

Chair's Column

- Douglas Kellow, Calgary Section Chair

The NACE Calgary Executive held an extremely productive planning session on September 18th to review our past year's accomplishments, as well as to look forward to opportunities in the coming year.

Looking back

2008/2009 successes and accomplishments included:

- ▶ Developing NACE Calgary certificates to use for recognition of local members, sponsors, supporters, etc.
- ▶ Concerted efforts made by NACE Calgary to initiate the Calgary Association of Technical Societies (CATS), and the CATS web site – www.catsalberta.ca.
- ▶ Design and purchase of our new NACE Calgary booth.
- ▶ Successful organization of the NACE Annual Dinner.
- ▶ Presentation of our new NACE Calgary Certificates to 25 and 35 year members at the NACE Annual dinner.
- ▶ Presentation of plaques to past chairs and long term members of the NACE Executive Committee.
- ▶ Recognition dinner event for the Executive Members, 2010 Calgary Conference Committee on September 18th.
- ▶ Successful Annual Golf Tournament that continues to draw a large crowd, providing great fun and excellent networking opportunities.
- ▶ Initiation of The Dave Scott Memorial Trophy presented for the first time at this year's golf tournament.
- ▶ Highly successful Coatings and Production Chemicals Trade Shows.
- ▶ Sponsorship of Tim Whitten in his ride to benefit *Kid's Cancer*.
- ▶ 2008/2009 Training Courses.
- ▶ NACE Booth at Conferences: IPC, GPAC, NACE, PIMS.
- ▶ Bursaries provided to students at SAIT and U of C.
- ▶ Student Mixer at U of C.
- ▶ Participation in Calgary Board of Education Science Fair.
- ▶ Offering information on NACE and participation through a session on corrosion for teachers at the Alberta Teachers Association Annual Convention.
- ▶ A presentation on NACE at the SAIT First Year Petroleum Engineering Technology Orientation.
- ▶ Quarterly newsletters to members, and enews bulletins throughout the year highlighting upcoming events and other information of importance to members.

Looking ahead

As we move into a new association year, we will continue to do many of the things we pursued last year, along with some new directions including:

- ▶ Satellite seminars in Medicine Hat/Swift Current/Red Deer, and possible delivery of the same full day seminar in Calgary as well.
- ▶ Continuing interface with the NACE Edmonton Section to consider joint opportunities and to keep communication lines open.
- ▶ Possible facilities tours and half day sessions in Calgary.

On behalf of the 2010 NACE Northern Area Western Conference Organizing Committee, it is my pleasure to invite you to join us in Calgary next February 15-18.

In today's uncertain economic climate we know that every dollar spent is being scrutinized to ensure value is added. The 2010 organizing committee is committed to maximizing value in all aspects of this conference. The conference will feature:

- A full **three day technical program** with two concurrent sessions, 10 to 12 technical themes and an excess of 50 technical papers.
- A large scale **exhibition and trade show**. The committee has bundled gold, silver and bronze sponsorships that provide unique exhibitor exposure and premium trade show locations. All non-technical events will take place in the trade show area, including lunches, coffee breaks, an Olympic Lounge with big screen televisions and a new exhibitor passport program. Please [click here](#) for more information and to register.
- A **social program** that will embrace an Olympic theme, including an Olympic-oriented sporting event at The Whiskey nightclub that replaces the traditional conference banquet.

The Calgary Conference has long been recognized as a model of a first class regional corrosion forum. We invite you to take part as an exhibitor, sponsor, and/or attendee. For more information visit [our website](#).
