

News about corrosion and the corrosion industry produced quarterly for members of NACE International in the Calgary area

NACE Dinner better than ever!

The Annual dinner was everything we hoped it would be – and quite a bit more...

- ▶ More than 110 were there
- ▶ The cocktail hour was full of conversation and laughter
- ▶ The meal was outstanding, from start to finish
- ▶ The entertainment was hilarious
- ▶ And our 25 and 35 year members were well-recognized, with pins, plaques, and framed certificates using a new NACE Calgary design and gold seal.

These pictures tell it all...

Clockwise from top left:

Brad Woloschuk, Don Strembiski and Ron Bachmaier; the Multi-chem Table; the Baker Petrolite Table.

See page 5 for more photos!

35 and 25 Year Recipients

35 Years

- ▶ Joseph Boivin
- ▶ David Webster

25 years

- ▶ Roy Hoffman
- ▶ Donald McDougall
- ▶ Keith Olsen
- ▶ Michael Rogers
- ▶ William Shaw

NACE Vice Chair Evan Bloomfield congratulates 35 year recipients Joe Boivin and Dave Webster.

Thanks to Our Sponsors

The annual dinner was not only very successful, it was also very inexpensive for our members thanks to the contributions made by our event sponsors:

- ▶ **Baker Petrolite** - Open Bar
- ▶ **Champion** - Taxi Chits
- ▶ **M-I Swaco** - Entertainment/Table Wine Co-Sponsor
- ▶ **Multi-Chem** - Table Wine Co-Sponsor

Chair's Column

- Douglas Kellow, Calgary Section Chair

Well...summer's here and I know we're all wondering where the time has gone, especially your Calgary NACE Executive who have put forth a tremendous effort, volunteering their time to organize and promote so many noteworthy events throughout this past year.

So in recognition of our Executive members and their companies, who step-up time and time again in support of our many student and corrosion industry events, we give special thanks and recognition to:

Administration:

Douglas Kellow	Chairman	Husky Energy
Evan Bloomfield	Vice Chairman	Penn West
Bob Lotwin	Treasurer	PipeTech
Janet Willson	Admin. & Comm.	in.sight Communications

NACE Representatives:

Ray Goodfellow	Northern Region	Pangea Engineering
Charles King	Past Chairman	Nalco

Website & Online Registration:

Sam Cauchi	Website Support	Fox-Tek
------------	-----------------	---------

Career Development & Training:

Neil Park	Career Chairman	Champion Technologies
-----------	-----------------	-----------------------

Association Liaison:

Thaier A-Issa	Association Chair	MI-Swaco
Beth Daniel	Association Chair	Ammonite Engineering

Membership & Student Membership:

Matt Stroh	Membership Chair	Pangea Engineering
Prabhu Srinivasan	Membership Chair	Skystone Engineering

Expositions & Science Fairs:

Prabhu Srinivasan	Science Chair	Skystone Engineering
-------------------	---------------	----------------------

Seminars & Tradeshows:

Thane Schaffer	Program Chair	Multi-Chem
Mark Stephenson	Program Chair	Talisman
Obed Ogbulie	Program Chair	Cimarron Engineering
Raj Soosaiprakasam	Program Chair	CNRL

Annual Dinner & Golf Tournament:

Brad Woloschuk	Arrangements Chair	TransCanada
Don Strembiski	Arrangements Chair	Micron Coatings
Michael Westlund	Arrangements Chair	GE Oil and Gas
Dave Owen	Arrangements Chair	Enerplus

Members at Large:

David Richardson	Member at Large	QM4 Engineering
Wayne Sudds	Member at large	Baker Petrolite
Ron Hoppe	Member at Large	Multi-Chem

While summer is finally here, your Calgary NACE Executive continues to work in the background, organizing the next series of scheduled events in order to maintain and deliver valuable resources to our membership. So please take the time to visit our website www.nacecalgary.ca and provide with us your comments and suggestions.

- Douglas Kellow
Chairman, NACE Calgary Section

Baker Petrolite

Don't miss... one of the best golf events of the year!

Last year more 216 golfers enjoyed another in a continuing series of annual golf classics at the Elbow Springs Golf Club. We have been doing golf tournaments since 1987, and everyone who participates can be assured that NACE will again deliver the kind of event they have come to expect.

The event this year takes place on August 21 and includes:

- ▶ Breakfast of champions
- ▶ 18 holes of golf
- ▶ Beverages and snacks along the course
- ▶ Dinner and awards
- ▶ Prizes and giveaways galore

Thanks to the support of great sponsors, we are offering registration at a lower cost and are able to provide lots of giveaways as well as prizes for every team.

For more information, contact Brad Woloschuk at arrangements1@nacecalgary.ca.

For more information about the course, including how to get there, [click here](#) to visit the Elbow Springs web site.

Of courses...

NACE Calgary Courses

- ▶ Basic Corrosion – Oct. 26-30
- ▶ Basic Corrosion – Nov. 2-6

Watch for an email with registration information soon.

NACE International Courses

- ▶ **Internal Corrosion for Pipelines course – 1**, November 2-6. [Click here](#) for details.

NACE International Conferences

- ▶ **DoD Corrosion Conference 2009**, August 10-14, 2009 in Washington, D.C.
- ▶ **Data and Integrity Management Workshop**, August 26, 2009 in Tulsa, OK
- ▶ **Northern Area Eastern Conference**, October 18-20, 2009, Halifax
- ▶ **Corrosion 2010**, March 14-18 2010, San Antonio

[Click here](#) for more information about these and other upcoming NACE International conferences.

NACE
NORTHERN AREA WESTERN CONFERENCE
February 15-18, 2010 • Calgary, Alberta

Going for GOLD in Corrosion Prevention

The Conference organizing committee is hard at work creating a conference with learning and networking opportunities you will not soon forget. Current activities include:

- Call for Papers
- Student Poster Session
- Trade show and sponsorships promotion

For more information about the conference,

- Visit the web site at www.nacecalgary.ca/conference.htm.
- Email information2010@nacecalgary.ca

NACE Supports Sears Cancer Ride

NACE Calgary donated \$1000 profits from the Coatings trade show towards Tim Whitten's participation in the Sears National Kids Cancer Ride. The donation was made in the name of Dave Scott, a NACE member who recently passed away after a battle with cancer. Dave was heavily involved with the NACE Calgary section in previous years through various committee roles and organization of the Calgary chapters annual golf tournament for a number of years.

On June 13, 2009, Tim and 35 other selected National Riders started the 12-day, 7,000 km trans-Canada odyssey from Vancouver to Halifax. Together, these cyclists are raising millions of dollars on behalf of charities that improve the quality of life for children, and their families, living with and beyond cancer. The route visits many of Canada's 17 pediatric oncology centres and hospitals where the cancer community has been sharing inspiring stories of strength and hope with cyclists and the media. 100% of

**Team 1 – Tim's Team
National Riders and Crew**

the Calgary chapter's money raised goes directly to worthy local and national charities in communities across Canada, including pediatric oncology centres and hospitals across the country.

For more information visit the web site at:
searsnationalkidscanceride.com.

NACE Calgary Participates in GPAC Annual Conference

NACE Calgary supported David Richardson, P.Eng. of QM4 Engineering Ltd. as a speaker at the GPAC Annual Operation and Maintenance Conference in May.

The conference began 21 years ago to provide value to the membership, with a focus on field operations. Consistent with the theme, David presented a well-received technical paper highlighting how the spatial representation of pipeline data, as well as associated operational, inspection, and monitoring data, provides the opportunity to better identify patterns of corrosion activity and contributing factors.

The enhanced data visualization and assessment provided by spatial data technology positions the owners with a 'systems understanding', and the ability to adopt a forward-looking pipeline integrity management program as an alternative to continuing with a reactive business environment. The cost savings benefits of a systems-approach were well characterized in the presentation.

To view and/or download David's presentation [click here](#).

NACE Supports SAIT Symposium

NACE Calgary contributed \$250 to SAIT's Western Canadian Student Symposium in April. In this photo Doug Kellow is presenting the cheque to Emily Lees, Academic Chair of Chemical Technology Program. Emily also volunteers time in support of the NACE/ASM Teachers' Materials Summer Camp as SAIT donates classroom and lab facilities. The NACE contribution was recognized in the symposium program.

Upcoming Events

A conference series without the travel!

A struggling economy is no excuse for failing to address corrosion solutions in flue gas desulfurization (FGD) systems.

As a result, AIRPOL 2009 web series offers conference materials and presentations without the travel. For more information, [click here](#).

NACE News is produced four times a year by the Executive Committee of NACE Calgary Section, in December, March, June and September.
