Don't Miss NACE Calgary Annual Golf Tournament!

August 19, 2011

Elbow Springs Golf and Country Club

Because this is a NACE sponsored tournament, first preference for registrations will be given to NACE members.

After August 10th, if the tournament is not full, non-member teams will be also be registered based on the date and time their registration is received. To become a NACE member now, please [click here](#) to navigate to the NACE International website.

Start Time:

7:00am - Team Registration Opens / Breakfast Begins

8:00am - Tee-off (golfers should be ready to begin pending course / weather conditions)

Format: Modified Texas Scramble

Cost: \$175 for members, \$200 for non-members

Cost includes: Full Breakfast and Coffee, Lunch, Dinner, Green Fees, Power Cart and Prizes.

This is always a very popular NACE Calgary event. [Click here](#) for more information about the event, sponsorships, and/or to register now!

Message from the Chair - Thane Schaffer

To all fellow NACE members:

It has been a very busy few months since our last newsletter. The MRO Technical Lunch, ILI Tradeshow, Annual Dinner...and now plans for the Annual Golf Tourney in August, followed by a Satellite Seminar in Rocky Mountain House, Corrosion courses in Calgary, and more events that are currently in the planning stages.

I am so pleased that we were able to honor a number of long term NACE members at the Annual Dinner who have been with the organization for 25 and 35 years. Sometimes people think that being a member means being constantly on the receiving end in an organization, but this isn't totally the case. What makes us successful as an organization and as a Section is the members who...

- Continue to support us by renewing their membership annually
- Participate in courses, seminars, conferences, and technical discussions
- Help us to grow with their questions and ideas
- Serve as role models and mentors as they grow in their profession throughout their careers.

These are the people that we honored on June 3 at the Chamber.

Thane D. Schaffer

Of Courses...

NACE Annual Dinner

More than 100 people attended the NACE Calgary annual dinner at the Chamber of Commerce Club. It was an excellent evening out with something for everyone – networking, a great meal, a chance to recognize some long term members, and a thoughtful keynote.

Keynote speaker Amy Nixon shared her experiences of trying to juggle the demands of being a successful lawyer and Olympic athlete. Her honesty and passion that came across in her story was both inspiring and refreshing...

Conferences & Seminars

NACE Calgary Satellite Seminar –

Maintaining integrity in an aging infrastructure.

ASM/NACE Materials Camp for Teachers was a 'classy' event!

The teachers who attended this year's camp are already telling their friends about this opportunity and are looking forward to another camp next year. Here are a couple of the comments we received from participants:

"I really enjoyed everything! I have been teaching for 18 years and even though I've seen or used a few of the demos, I was able to learn and apply info in new ways. I now have many more demos/labs to do in the classroom. Thanks!!"

"Whether you are a Jr. or Sr. high teacher, there was information applicable, appropriate and fun for everyone."

Teacher Camp SPONSORS

Gold Sponsor:

Bronze Sponsors:

Weatherford

And a big THANK YOU! to SAIT for letting us use their great facilities and equipment for this camp!

If you are interested in sponsoring the camp next year, please contact Jana Haggins, NACE Calgary Membership Chair.

Members want more tradeshow!

NACE members and vendors who participated in the **ILI Tradeshow** and social event would like to see more events like this.

The event provided an opportunity to get their hands on and learn more about 'smart tools' from seven vendors. They also had a chance to network with industry colleagues.

As is always the case, NACE Calgary is very grateful to the vendors who participated this event...

And to the sponsor companies...

Arnett & Burgess Oilfield Construction Ltd. (bar)

T.D. Williamson Canada (bar)

Pipetech Corporation (food and beverage)
